

Lightalarms®

# BABA-compliant solutions

Lightalarms® offers a complete line of **Build America, Buy America (BABA)** compliant emergency lighting products, engineered to meet the requirements of federally funded infrastructure projects.

BABA compliance ensures that products are manufactured in the United States using domestically sourced materials, supporting American manufacturing while helping projects qualify for federal funding. Our BABA-compliant solutions deliver the same reliability, performance, and ease of installation you expect from **Lightalarms**.

From public buildings and educational projects, to military bases, healthcare centers and more, **Lightalarms'** BABA-compliant emergency lighting provides dependable life-safety performance with verified compliance documentation—making specification simple and straightforward.

See reverse for available BABA-compliant part numbers. Contact us to learn more about our BABA-compliant product offering.

# BABA-compliant solutions

	Catalog number	Description
	2MGRA1/LD2-M-BABA	Thermoplastic compact battery unit, 6V-10W lead-calcium, two heads (6V-5W MR16 LED)
	2MGR12H2/LD10-M-BABA	Thermoplastic compact battery unit, 12V-24W NiMH, two heads (12V-6W MR16 LED)
	GR1224HRUW2LD10-ID-BABA	Thermoplastic combo, 12V-24W NiMH, universal faces, red legend, two heads (12V-6W MR16 LED), Improved Diagnostics (audible)
	GR612MRUW2LD1-BABA	Thermoplastic combo, 6V-12W lead-calcium, universal faces, red legend, two heads (6V-4W MR16 LED)
	GRANNDRW-BABA	Thermoplastic exit, self-powered NiCad, universal faces, red legend, Improved Diagnostics
	ELF3D/L10-M-BABA	Thermoplastic remote, two heads (12V-6W MR16 LED)
	ELF3D/LD1-M-BABA	Thermoplastic remote, two heads (6V-4W MR16 LED)
	2V12N1LD10BDA-BABA	NEMA 4X battery unit, 12V-24W NiCad, two heads (12V-6W MR16 LED), Improved Diagnostics (audible)
	XV24E2RDA-4X/2LD10-BABA	NEMA 4X combo, 12V-24W NiCad, double face, red legend, two heads 12V-6W MR16 LED), Improved Diagnostics (audible)
	XVE-1-R-D-4X-BABA	NEMA 4X exit, self-powered NiCad, single face, red legend, Improved Diagnostics (non-audible)
	ELF650D/LD10-M12-BABA	NEMA 4X remote, die-cast back plate, two heads (12V-6W MR16 LED)
	SP12G32L15IDNA-BABA	NEMA 4X battery unit, 12V-30W high-temp lead-calcium, two high-output heads (15W LED, 1300 lumens), Improved Diagnostics (non-audible)
	SPLEDNARMDUA-BABA	Edge-lite self-powered exit, brushed aluminum, single face, red legend on mirror panel, universal arrows
	SPLEDNARMD2UA-BABA	Edge-lite self-powered exit, brushed aluminum, double face, red legend on mirror panel, universal arrows
